June 2022

## Entrepreneurial mindset for future youth work

**2020-1-RO01-KA205-078727**

### Erasmus+ Strategic Partnership for Innovation

The third Transnational project meeting took place at Fundacja Instytut Badan I Innowacji w Edukacji (INBIE), Thursday, 10<sup>th</sup> June 2022. The consortium is composed of Governorship of Istanbul from Turkey, Co-Labory from Italy, Fundacja Instytut Badan I Innowacji w Edukacji (INBIE) from Poland and the leader partner **Asociatia TEAM4Excellence from Constanta.**

The transnational project meeting had representants from all partners that discussed three important issues:

- Practical activities included in the IO1 (Toolkit on Social Entrepreneurship)
- MOOC (Massive Open Online Course) on social entrepreneurship.
- EnMind platform. Need technical work

During the project meeting some call to actions were prepared with the objective to implement properly the quality project management programme. There are some activities to be implemented during the next months like:

- Recruitment of young workers/staff member that will participate to the LTTA to be held in Istanbul during 27-29 June 2022
- Involvement in the pilot test 5 local young people and collect feedback through the evaluation questionnaire after the pilot test.
- The methodology for piloting created by COL and revised by partners will be followed.
- Work on the PowerPoint presentations with detailed requirements
- Work in Forums and Quizzes according to the instructions in English

- Partners must continue to disseminate about the project progress and activities on their social media channels using the **#EnmindEdu**
