Supporting Elderly Needs Is Our Responsibility

Multiplier event in Spain

As a partner in the Erasmus+ project [Supporting Elderly Needs Is Our Responsibility](#) (SENIOR), DESES3 organized on the 15th of September 2022 a multiplier event to present and disseminate the results of the project. The event gathered the 20 (or so) participants who are working or collaborating with institution from Valladolid that work with elderly people or adult formation.

The aim of the activity was to present the project and results obtained from it during the 2 years development that have been developed with the other partners:

- [TEAM4Excellence](#), România
- [Voluntariat Pentru Viață](#), România
- [Asociația Deses-3](#), Spania
- [Instytut Badan I Innowacji W Edukacji](#), Polonia
- [Petit Pas](#), Italia

The facilitators of the event has been Damiana Sudano that worked in the development of the SENIOR project and Enrico Fontana, a collaborator of Asociación Deses3 that participated in the project's Learning Training Teaching Activity. The presentation has been designed related to the group of people have been invited for the event. The participants who participated to the Multiplier events are people that work as adult educators or are educators/ workers with senior.

Initially, the project was presented, the needs it arose from and the partners who developed the results. Afterwards, the objectives that were to be achieved at the beginning were presented, and then the three results created during it were presented. During the presentation of the results, participants were given the opportunity to check the work done from their smartphones and to present the online content created from a computer connected to a projector. At the end of the activity, a Q&A session was held in which doubts and questions concerning the project and its potential use in other institutions/associations were clarified.

If you are an educator or volunteer working with older people, stay up to date with future project opportunities on <http://trainingclub.eu/senior/> where we publish the latest updates and details of the project's implementation stages.
